	Association) may apply for the oral examination of the dissertation.	
The requirements for required courses and graduation credits will be determined by the department or		

\* The requirements for required courses and graduation credits will be determined by the department or institute based on the course planning schedule for each academic year. For more information, please refer to the following link : http://www.oaa.nchu.edu.tw/rule01.htm

\* Any changes to graduation requirements should be handled according to the streamlined procedure for changes to graduation requirements. If there are no changes to courses or credits, submission is not required each academic year.

\* This form has been revised according to the minutes of the 62nd, 70th, and 71st Academic Affairs Meetings.
