DEPARTMENT OF FORESTRY, NCHU

## Faculty Position Announcement National Chung Hsing University Department of Forestry

**Position Description:** The Department of Forestry at National Chung Hsing University, is seeking for two full-time faculty positions (Assistant Professor, Associate professor, or Professor) in the field of Forest Management, Biomaterial Chemistry, or Biomaterial Physics.

**Required Qualifications:** Applicants must hold a Ph.D. in a related field from a domestic or international institution and meet the requirements for new faculty appointments at our university. Candidates should be enthusiastic about teaching, have research potential, and be able to support international exchange services and English-taught courses within the department or college.

**Date of Employment:** Starting from 1 August 2025

**Application Deadline:** 13 December 2024 (Friday)

### Academic Qualifications and Preferred Specialization:

1. Trained in the field of **Forest Management**. Applicants who can teach the courses in Remote Sensing in Forestry or Forest Surveying, or the ability of research on Climate Change are preferred.
2. Trained in the field of **Biomaterial Chemistry**. Applicants who can teach the courses in Pulping Process or Papermaking Science are preferred.
3. Trained in the field of **Biomaterial Physics**. Applicants who can teach the courses in Wood Environmental Science, Wood Structure Environmental Engineering are preferred.

### Application Materials:

1. At least two letters of recommendation (preferably written by the thesis advisor or current supervisor; Please provide reasons if a supervisor's recommendation letter is not available).
2. A personal resume, including contact phone number, email, and address.
3. Copies of all academic degrees and transcripts from university level and above.
4. Proof of employment for each position held.
5. A copy of an ID card or passport, and a teaching certificate (if available).
6. A future research development plan.
7. A copy of the doctoral dissertation.
8. Completed relevant application forms:  
(8-1) NCHU Course Outline Template: Course syllabi for proposed courses, including one English-taught undergraduate course.

(8-2) Form T4p: Summary of materials for faculty work evaluation at the College of Agriculture and Natural Resources at National Chung Hsing University.

(8-3) Form T3: Conflict of interest statement for initial hiring, reappointment, and promotion evaluations.

9. Publication materials:

(9-1) Form 9-1: Publications list

(9-2) Full copies of selected representative works

(9-3) Form 9-3: Declaration of co-authorship for representative works

(9-4) Full copies of other publications or works for additional references (arranged in the order listed in 9-1)

10. The above materials must be consistent with the originals. Items 3 to 9 should have signatures and dates on the front page.

11. Forms and templates required for items 8 and 9 can be downloaded from the department's bulletin (<https://for.nchu.edu.tw/news.php?Type=6>)

**Submission Details:** For local applicants, please send the application materials by registered mail or deliver them in person to the Faculty Evaluation Committee, Department of Forestry, National Chung Hsing University, No. 145, Xingda Road, South District, Taichung City 402. For international applicants, please email the application materials to Director Hsy-Yu Tzeng ([erecta@nchu.edu.tw](mailto:erecta@nchu.edu.tw)) and cc Ms. Wang ([chihyu@nchu.edu.tw](mailto:chihyu@nchu.edu.tw)).

**Review Process:**

1. Candidates who pass the document review and voting process will need to provide a 30-minute oral presentation and Q&A (in-person or online). The presentation should include a personal introduction, summary of representative works, proposed courses, and research development plans (short, medium, and long-term). For international applicants, the presentation can be given in English.
2. Recommendations will be made to the college/university evaluation committee after evaluation by the department meeting and faculty evaluation committee.

**Additional Information:**

1. Hired faculty may be eligible for flexible salary incentives in addition to base salary (National Chung Hsing University New Faculty Flexible Salary Incentive Measures)
2. Faculty members in need of accommodation may apply for university housing.
3. Faculty members are obligated to assist with some administrative tasks.
